**AMENDMENT PURSUANT TO 37 C.F.R. §1.48(a) ADDING A JOINT
INVENTOR AND FEE UNDER §1.17(i)**

Commissioner for Patents
Washington, D.C. 20231

Sir or Madam:

I, Christopher R. Stockman, through my undersigned attorney, respectfully request amendment of the above-identified patent application to add Christopher R. Stockman, residing at 2090 Thames, New Lenox, Illinois 60451, as a joint inventor and applicant.

A petition to add Christopher R. Stockman as a joint inventor, including a statement by Christopher R. Stockman that he was inadvertently omitted as a joint inventor in the original application, and that such omission occurred without deceptive intention on the part of Christopher R. Stockman, accompanies this amendment.

A new Declaration and Power of Attorney signed by Rick Korczak, Kevin E. Linehan, and

Christopher R. Stockman, the joint inventors, accompanies this amendment, along with the Petition fee of \$130.00 under §1.17(i), Certificate Under 37 C.F.R. §3.73(b), and Assignee's Authorization for Correction of Inventorship.

The Commissioner is authorized to charge any additional fees, and to credit any refunds, to Deposit Account No. 23-0920. Should no proper amount be enclosed herewith, as by a check being in the wrong amount, unsigned, post-dated, otherwise improper or informal, or even entirely missing, the Commissioner is authorized to charge the unpaid amount to Deposit Account No. 23-0920. A duplicate of this Amendment is enclosed.

Respectfully submitted,

In Consideration of One Dollar and other good and valuable considerations, the receipt of which is hereby acknowledged, the entire right, title and interest in the invention or improvements of the undersigned in **ANCHOR RAIL ADAPTER AND HANGER AND METHOD** and in the application for Utility Patent of the United States therefor, executed by the undersigned concurrently herewith and in any continuation, reissue or extension of any Utility Patent that may be granted upon said application are hereby assigned by the undersigned to **Andrew Corporation**, a corporation formed under the laws of Delaware, and the heirs, successors, legal representatives and assigns of **Andrew Corporation**, (hereinafter collectively called said Assignee), and the Commissioner of Patents and Trademarks is hereby authorized and requested by the undersigned to issue said Utility Patent to said Assignee.

For Said Considerations it is hereby agreed by the undersigned, upon the request of said Assignee, to execute any necessary and proper oaths or affidavits relating to said application or required for the filing or prosecution of any divisional or continuing application thereof or for the filing or prosecution of any application for the reissue or extension of any Utility Patent that may be granted on said invention or improvements that said Assignee may deem necessary or expedient, and for the said considerations it is further agreed by the undersigned, upon the request of said Assignee, in the event of said application or any division thereof, or Utility Patent issued thereon, or any reissue or application for the reissue thereof, becoming involved in Interference, to cooperate to the best of the ability of the undersigned with said Assignee in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof, and further to perform, upon such request, any and all affirmative acts to obtain said Utility Patent and vest all rights therein hereby conveyed in the said Assignee as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment and sale had not been made. And for the said considerations the entire right, title and interest in said invention or improvements, including those under the International Convention, and all

other Conventions, and the right to file applications for patent in said Assignee's own name for said invention or improvements in each and every country of the world are hereby assigned and granted by the undersigned to said Assignee. It is further agreed by the undersigned, upon the request of said Assignee, to execute any and all documents that shall be required of the undersigned to be executed in connection with any and all applications for foreign Utility Patent therefor, including the prosecution thereof, and to execute any and all documents necessary to invest title in said foreign applications and patents in said Assignee. The undersigned also further agrees for the said considerations, upon the request of said Assignee, to promptly perform all lawful acts deemed by said Assignee to be necessary or advisable in connection with maintaining, enforcing, or transferring the resulting grants of said Utility Patent in the United States or foreign countries. It is agreed that such lawful acts include, but are not limited to, taking oaths, executing declarations, powers, assignments, and other papers and giving testimony. The attorneys of record in said application for patent are hereby authorized and requested by the undersigned to insert in this Assignment the date and serial number thereof in the places provided therefor.
